Jordan Feliz is a Billboard-charting contemporary pop singer and songwriter. His sound walks the line between classic rock, slick retro-'70s R&B, and modern pop.

His first single, "**The River**" claimed the top spot on the Christian AC Songs chart and remained there for ten weeks. His **Beloved** EP was released in October and entered the Heatseekers chart at number 12, eventually earning the top spot and remaining there for eight weeks. The follow-up single, "**Never Too Far Gone**," was released in March, landing inside the Top 20. His debut full-length, **The River**, was issued in April 2016 along with third single "**Best of Me**." The album entered the Christian Albums chart at number four and garnered a Dove nomination for Pop/Contemporary Album of the Year. In 2017 he returned with the EP **1 Mic 1 Take**, a live acoustic session recorded at Capitol Studios in Hollywood.

Florida-based pop artist **Blanca** serves up an eclectic mix of pop, soul, dance, and hip-hop, that offers plenty of crossover appeal. After nearly a decade as the singer for acclaimed Christian hip-hop act Group 1 Crew, Blanca's solo breakout release title **Who I Am** EP showcased her knack for strong, uplifting melodies and stylistic versatility. Current radio favorites in high rotation are "**Real Love**," "**Echo**," "**Greater Is He**," and the Beyonce-esque "**Who I Am**."

Born and raised in Hawaii, **Tiffany Thurston** started out on the worship team at New Hope O'ahu, under the leadership of Pastor Wayne Cordeiro, and then began touring with the Revolve Tour (a national tour for teen girls) as their host & worship leader along with singing backup with one of her all time favorite singers, Grammy-nominated vocalist, Natalie Grant. After moving back to Hawaii, in 2013 she founded BLOOM, a women's leadership conference designed "to encourage, inspire, empower, and equip this next generation to 'BLOOM where they are planted!' and become all that God has created them to be."

"**Fish Fest**" is a popular and well attended event presented annually in many cities on the Mainland. **Dita Holifield, General Manager of Salem Media Hawaii**, says, "We are thrilled to be working with Ron Gibson Entertainment to bring "**Fish Fest 2018**" to Hawaii. In addition to the amazing artists there's going to be many other fun activities to engage attendees."

Ron Gibson, President of Diamond Head International and **Ron Gibson Entertainment** adds, "The talent these artists bring to the stage is tremendous. Each of these bands are excellent live performers. For those who aren't familiar with the music you're in for a real treat.
